

SONY®

SONY DISPLAYS. DESIGNED FOR HUMAN PERFORMANCE™

Offering the perfect combination of solid performance and value price, StylePro™ Series Flat Panel LCDs from Sony give your company a productivity edge and bottom-line savings. Affordable and efficient, the StylePro™ line provides ergonomic comfort with its ErgoStand™ design and ErgoBright™ technology, while delivering space efficiency with its super-thin bezel and footprint. In addition to Sony's renowned products, valuable customer support programs provide even more peace of mind.

FLAT PANEL LCD

- ErgoStand™ design
- ErgoBright™ technology
- Super-thin bezel design
- Internal power supply
- Cable management system
- Premium image quality

Ergonomically designed. Space-conscious. Energy-efficient.

ErgoStand™ design: Convenient ergonomic set height stand with tilt adjust allows for more comfortable viewing position.

ErgoBright™ technology: One-touch brightness and contrast control optimizes image performance and saves energy.

Super-thin bezel design: Desktop savings; mount one or tile many for maximum productivity.

Internal power supply: Built-in power brick for easy wall/arm mount and space savings.

Cable management system: Convenient cable control for easy installation and clean desktop.

Premium image quality: Auto ImageSet™ technology optimizes picture for consistent performance.

Super-thin bezel

Thin profile w/internal power supply

Ergonomic height stand

Cable management system

Kensington® security lock and VESA arm/wall mount

Thin footprint design

Swivel base (19" model only)
