

OUR CUSTOMERS SPAN MANY INDUSTRIES & APPLICATIONS

Here are some examples of what they've said about our Control Room Consoles, Computer Furniture, Security Furniture & Medical Imaging Furniture

Looking for high quality, well designed, control room console - at a price you can afford?

"I am very impressed with the quality of your consoles. You definitely have a durable and well designed product. It's competitively priced and flexible as well. Thanks!"

- Project Engineer, MERISOL, USA; **AgileVIEW**® central control room furniture

Looking for a "showcase" operator console or medical imaging furniture?

"I wanted a showcase control room installation. Your consoles are great! I will refer your company to other Kraft facilities."

- Site Systems Manager, Kraft Foods; **AbleVIEW**® 1-Tier control consoles

"I like the clean lines and high-tech look of your computer furniture. The console was tested in our data center before deployment; everyone loved it!"

- IT Manager, Major University Hospital; **MediVIEW**™ console installation

"The plant manager is delighted with the way the 3-tiered operator control console turned out. He enjoys showing off our new control room to visitors."

- Engineering Manager, PCS Nitrogen; has both **AbleVIEW**® and **AgileVIEW**® control console installations

"The lab furniture arrived and it looks great. We are most pleased!"

- Project Engineer, Aerospace Test Lab; **AgileVIEW**® technical furniture installation

"I have already given your name to several companies that have visited our plant. They are really impressed with our control room furniture."

- Engineering Planner, Conoco-Phillips Refinery; **AgileVIEW**® dcs computer console installation

Have computer furniture vendors in the past left you disappointed, or unsatisfied?

"After all the dust settled, we are very happy with them. We will be ordering at least two more consoles over the next six months."

- Project Engineer, Northrop Grumman Aerospace; **AgileVIEW**® technical furniture

"Everybody was impressed with the control room consoles you provided. They look good!"

- Electrical Engineer, NutraSweet; **AbleVIEW**® console with 2nd. Tier Monitor Risers

Do you like being "pleasantly surprised" by your technical furniture vendor?

"We are pleased with the consoles you provided for our control room furniture upgrade. They were heavier than we anticipated, and are definitely built to last!"

- Project Engineer, New Energy Corp. - Ethanol Plant with **AbleVIEW**® computer console furniture

Have new technology to deploy in updating your security consoles or command center?

"Our command post is state-of-the-art and has been a tremendous success... we have enjoyed working with you - the product is great!"

- Head of Protective Detail, Texas Governor's Mansion; **SecureVIEW**® security furniture installation
