

OUR CUSTOMERS SPAN MANY INDUSTRIES & APPLICATIONS

Here are some examples of what they've said about our Control Room Consoles, Computer Furniture, Security Furniture & Medical Imaging Furniture

Looking for high quality, well designed, control room console - at a price you can afford?

"I am very impressed with the quality of your consoles. You definitely have a durable and well designed product. It's competitively priced and flexible as well. Thanks!"

- Project Engineer, MERISOL, USA; AgileVIEW® central control room furniture

Looking for easy to install control room furniture?

"Your console units came pre-assembled; hardly any site work. Easy to mount computer equipment, monitors, etc. We get a quick response from Sales and Service and consoles are ALWAYS DELIVERED ON SCHEDULE. You can rely on ImageVision to meet project deadlines!"

- Senior Controls Engineer, Langtree Controls, LTD; AgileVIEW® 2-Tier control room consoles

"I like the functionality of your consoles and the ability to accommodate needed additional process controls equipment. Nothing about the console or your sales and support services disappointed me!"

- North Mill Supervisor, Major Grain Processing Facility; AgileVIEW® 3-Tier control console installation

"The plant manager is delighted with the way the 3-tiered operator control console turned out. He enjoys showing off our new control room to visitors."

- Engineering Manager, PCS Nitrogen; has both AbleVIEW® and AgileVIEW® console furniture installations

"The lab furniture arrived and it looks great. We are most pleased!"

- Project Engineer, Aerospace Test Lab; AgileVIEW® technical furniture installation

"I have already given your name to several companies that have visited our plant. They are really impressed with our control room furniture."

- Engineering Planner, Conoco-Phillips Refinery; AgileVIEW® dcs computer console installation

Have computer furniture vendors in the past left you disappointed, or unsatisfied?

"After all the dust settled, we are very happy with them. We will be ordering at least two more consoles over the next six months."

- Project Engineer, Northrop Grumman Aerospace; AgileVIEW® technical furniture

"What I liked most is your consoles rugged design. Nothing disappointed me about either your product or service."

- Senior Controls Specialist, Louisville Gas & Electric - Cane Run Generating; AgileVIEW® 2-Tier console

Do you need a technical furniture vendor that delivers organized and efficient solutions?

"ImageVision's modular consoles organized our work space and has increased the efficiency of our operations personnel."

- Pipeline Operations Coordinator, INEOS Olefins and Polymers USA; AgileVIEW® 2-Tier computer console furniture

"Very sturdy; well built - nice wire ways make for a neat installation

The Hershey Company; AgileVIEW® 1-Tier computer console furniture

Have new technology to deploy in updating your security consoles or command center?

"Look to ImageVision and AgileVIEW®!"
