

Security Console Furniture in “All Black” with Charcoal Matrix Laminate Inlays

Our security console units supplied included Qty (7) 48in Desks and (1) 26in 1-Tier Equipment Riser Shelf Turret

26in console unit did not require a pull out CPU Tray

"The consoles look fantastic! We appreciated most the ease of installation with your console furniture. Every piece came wrapped and protected and completely assembled; it was easy to bolt units together and install all the equipment! The entire room installation was completed within a day's work. Our security personnel are thrilled with the new consoles."
